BULLDOG '84

TRAVELS OF

We do not believe anyone stands still in time. Today is just the edge of tomorrow. We want to take this time to examine and remember our Todays. This is our time to grow, learn, and share with our friends, parents, and teachers. Although we cannot be sure of the future, our actions now, especially our education, will have an impact on our lives. We end one phase of our lives, as we are on the verge of sampling totally new experiences.

We are all traveling on towards the future. We are the producers, consumers, dreamers, and developers of tomorrow. Our lives will be filled with technology, advancement, and enrichment, and we will have forever our pathway of achievement in our memories.

A BULLDOG

Whether we are freshmen or seniors, our pathway leads us straight into academics, sports, clubs, and graduation. Each new challenge sets our course for tomorrow. We have become aware that we are part of tomorrow, and will be needed there. Because of our todays, we will find success waiting for us.

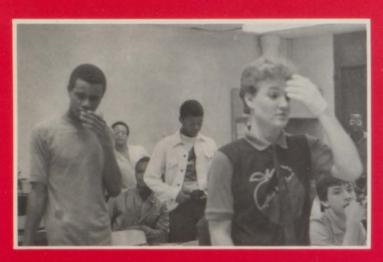

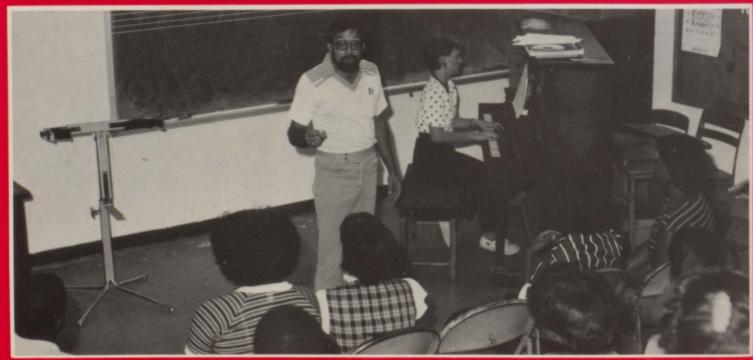

OUR PATHWAYS HAVE:

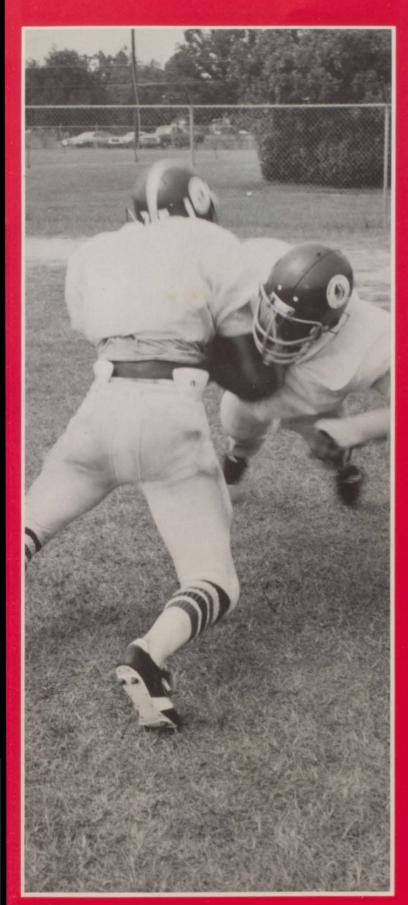

With over 550 students attending MCHS, our hallways are crowded and snack lines long. Our schedule begins at 8:15 a.m. and lasts through 3:09 p.m., and sandwiched between are six subject hours, which can be tiring and trying on our brains. We must discipline ourselves to study and respect others

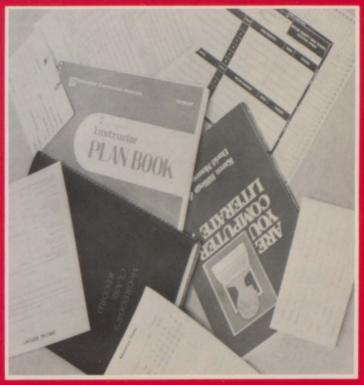

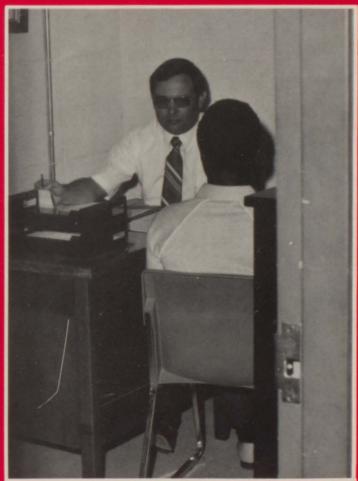

SOMETIMES BEEN BUMBER

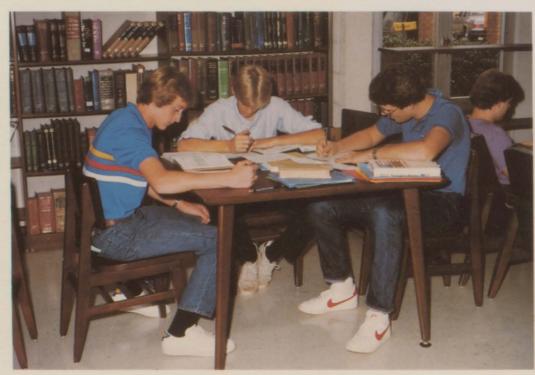

HAD GREAT TIMES

Let's party. Let's jam. The Bulldog likes a good time, good friends, and a fast car. Our school days may be crammed with classwork and practice, but our weekends are free for fun. When we remember this time, one point will always shine — the PEOPLE. Whether visiting the DQ or dancing in the gym, we have learned how meaningful friendships can be. Any goal can be reached, with someone special on the road beside you.

WHEN = 5 MOOTH =

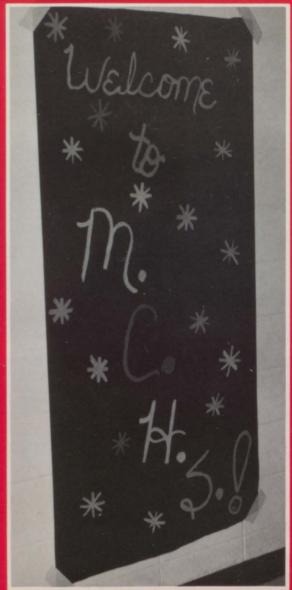

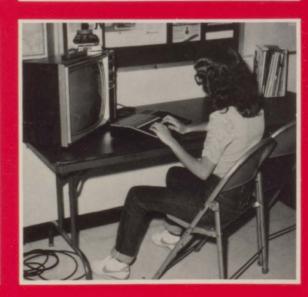

NEVER BEEN DULL FOR

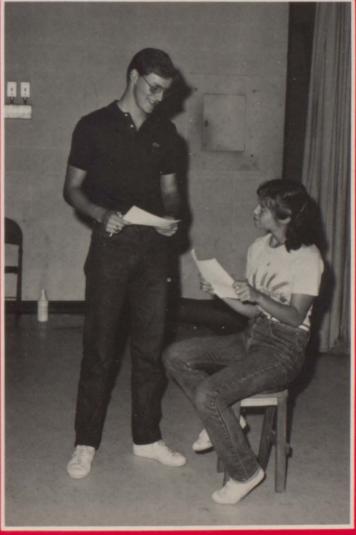

THERE WAS SCENERY

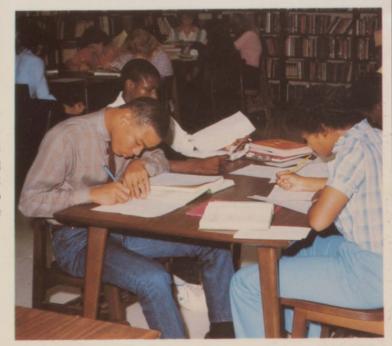

BEEN FILLED

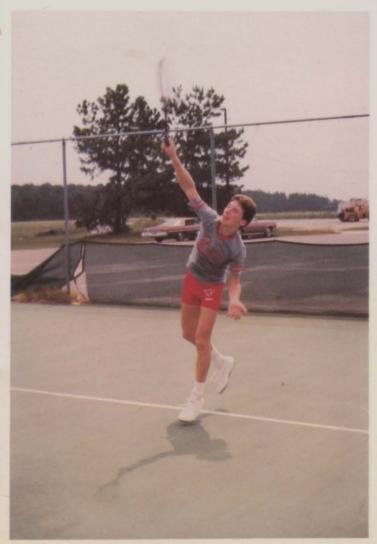

Our Bulldog is a mixture of many talents and personalities. These differences add spice to school life, and enhance the learning process. This Bulldog has a powerful spirit to pull through in trying times. By contributing through extra-curricular activities, we learn that hard work has its own rewards. We rely on this Bulldog strength to continue to strive for the best and to push on down the road.

WITH DETERMINATION

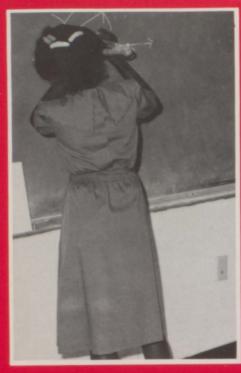

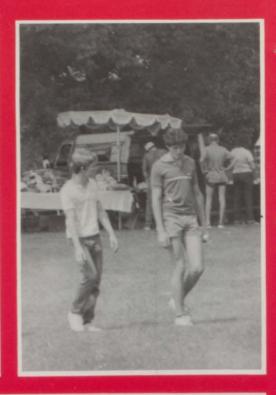

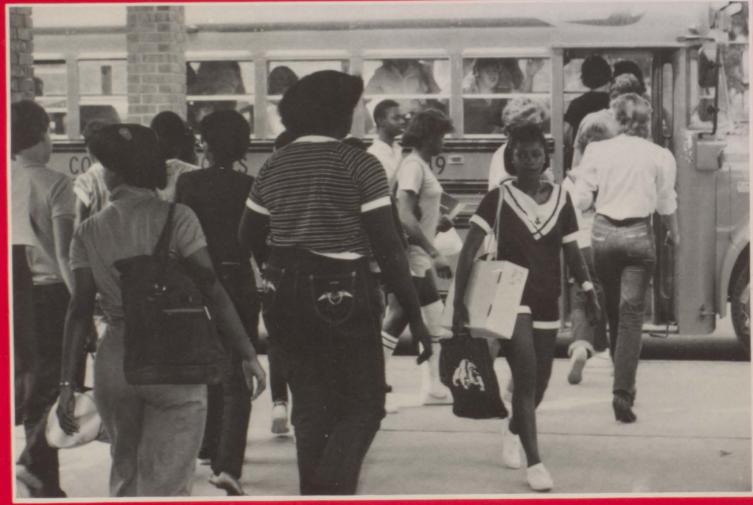

We are achievers. All year the Bulldog has spotlighted the musicians, mechanics, athletes, and most importantly the students. Our honors earned in test scores, football yardage, and debate skills encourage us to tackle life at full speed. We can. We will. We must.

ACCOMPLISHED OUR

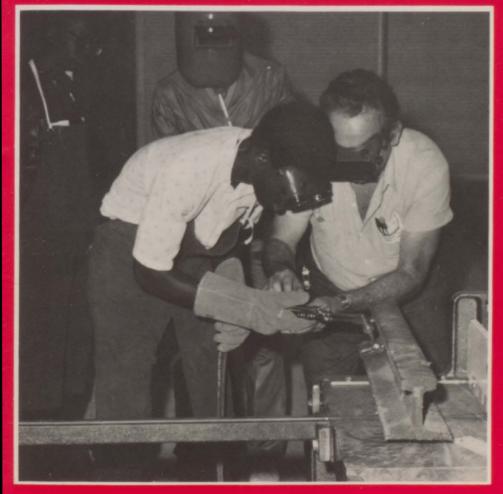

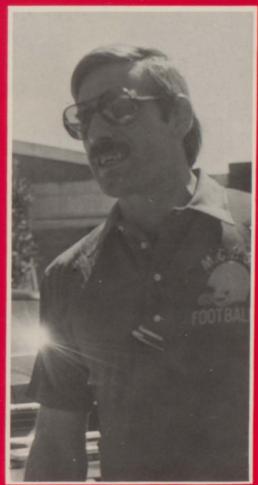

WORK WITH PRIDE

We are fortunate to have a new building complemented with new faculty and modern equipment. Our courses have been expanded with greater variety for the individual's needs — construction, transportation, metal working, and health for those wishing immediate employable skills — French and computer literacy for the pre-college programs.

Our facilities have a face-lift with the renovation of kitchen equipment and addition of special lunch line. Two regulation tennis courts are complete, which now make practices easier for our winning team. The faculty and students were treated to a newly paved and marked parking area, too.

ALWAYS MOVED

Look to this Day!

For Yesterday is but a Dream, And Tomorrow is only a Vision; But Today well-lived makes every Yesterday a dream of Happiness, and every Tomorrow a vision of Hope.

Sanskrit

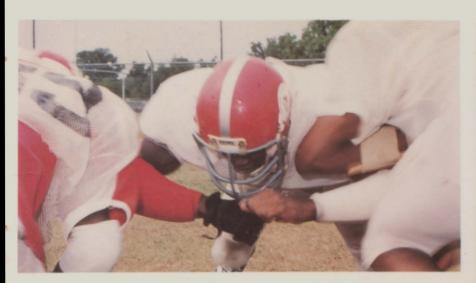

FORWARD

Often do the spirits of great events stride on before the events, and in Today already walks Tomorrow.

Senior Class Officers: President, Calvin Fulks; Vice-President, John Jones; Secretary, Kimberly McMillian; Treasurer, Jerry Coleman.

The deeds we do, the words we say,
Into still air they seem to fleet,
We count them ever past;
But they shall last,
In the dread judgment they and we shall meet.

I charge thee by the years gone by,
For the love's sake of brethen dear,
Keep thou the one true way, in work and play
Lest in that world their cry of woe thou hear.

STAR STUDENT

The STAR STUDENT AWARD, given annually by the Georgia Chamber of Commerce, is awarded to the Senior scoring highest on the Scholastic Aptitude Test (SAT). This person must also be in the top ten percent of the graduating class. This year's recipient of the award was John Jones.

John's record included not only high academic standards, but an interest in the whole school program. He has served on the Student Council four years, held memberships in Sam Jones Honor Society and the National Honor Society. In his sophomore year, John attended the Hugh O'Brian Leadership Foundation Seminar. He was selected as a finalist in the field of science for the Governor's Honors Program. He has been accepted at Emory at Oxford and Mercer University, and will be choosing a future.

John chose Miss Wylene Webb as his STAR TEACHER, because of the great influence she has had on his education and the dedication she feels for her job.

Being recognized as system STAR student is not only an honor for me but also for Macon County High School. This selection represents the quality of education at Macon County High. Quality education comes from quality educators. The faculty at Macon County High show great concern for the students and the education they receive. I feel that with these types of educators, Macon County High's reputation as one of the finest schools of the area will be sustained for a long time.

> John Jones

STAR TEACHER

Miss Webb, a MCHS alumni, has been teaching for 13 years, and is currently a Georgia Certified E.M.T., as well as, a Red Cross Instructor in First Aid. She received a B.S. Degree in Education with majors in Biology and Physical Education from Georgia Southwestern College in Americus. Returning to school in 1981, she completed the requirements for a Masters in Education. As our tennis coach, her teams have gone to State Finals for five of the seven years. In the summer of 1983, she was named "Coach of the Year" by the Georgia Coaches' Association. She has also worked with softball, track and girls' basketball teams in the past. Her daily class schedule includes Anatomy and Physiology, General Biology, Physical Education, and Health.

"Education has been a rewarding career for me, in that I am able to see kids go through high school and find challenging careers in their future. John is a fine example of our students. It was a pleasure to work with him."

BULLDOG STAFF

"Traveling On"

Under the guidance of a new advisor, Mrs. Jo Campbell, and a new publisher, this year's staff was weak at the beginning, as only five of the staff were returners. We had a lot to learn.

After attending a three-day summer workshop at Auburn University, we were responsible for capturing the 1983-84 school year in a limited number of pages. The staff was responsible for selling ads, selecting a theme, taking pictures, and organizing them and copy for the book's sections. Dedication, determination, and pure luck saw us through.

We hope you will enjoy this effort and cherish it always.

B-TEAM FOOTBALL

The B-Team this year has several players moving up from Junior High, and are looking forward to a good season. Hard work and discipline will have these young players ready for Varsity before long.

ASSISTANTS

The Statisticians and Watergirls are a vital part of Macon County's athletic program. The Statisticians keep all the important stats during all the games for both teams. The Watergirls never get a break. They sell programs, serve Gatorade, and take towels to players during timeout.

Greg Hurdle, Doug Hawk

GIRLS' VARSITY BASKETBALL

The '84 Bulldogs are looking forward to a great season. The Lady Dogs lost key players, but they have the makings of a fine team this year.

Last year the girls rolled up a great 24-2 record and won Sub-Region, and Region Championships. It is certainly hoped this team will go all the way to State. Our Lady Bulldogs are coached by Mr. Carl Peaster and Mrs. Gail Peaster

Elaine James Pam Meadows

Darlene Mallard Kathy Hadley Lisa Bentley Sonnie Hooks

Yvonne Shelley Lisa Marshall Sekema Harris Elizabeth Peterson Beth Campbell

Leatha Williams Cynthia Robinson Lori Nelson Sharon Ashmon

BOYS' VARSITY BASKETBALL

The '84 Bulldogs are a very young and inexperienced, but extremely quick squad this year. The team turned in an 11-11 regular season record in '83, and are looking to improve that mark. The Dogs lost several key players, but are lucky to have four strong seniors. Coaches for the team are Jim tungate, Head Coach, and Joe Lee, Assistant.

B-TEAM GIRLS

The 83-84 B-Team Basketball
Team's record stood at 6-4 at the
time of this writing. Coached by
Mrs. Charlotte Shaw, the team
showed an outstanding
improvement. Most of the girls on
this team were freshmen, so we can
look forward to an exciting year in

Sitting L to R: Betty Harpe, Diane Williams, Lametria Mallard, Jackie Harpe, Chiquita Turner.

Kneeling: Jackie Davis, Shorana Morris, Karen Loftly, Ruthie Williams, Delores Williams

Standing L to R: Coach Shaw, Charlemagne Fulks, Carol Simpson, Sonja Porter, Gwenda Harpe, Katrina Cotton, Betty Stewart, Cynthia & Cromer, Corey Miller.

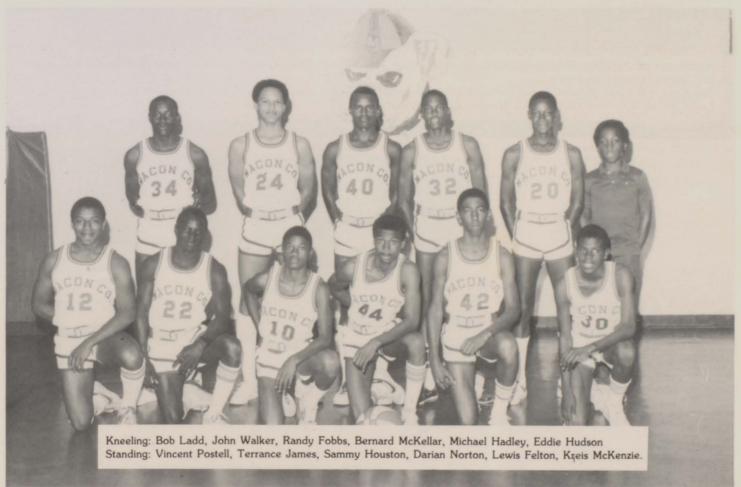

B-TEAM BOYS

This year's B-Team can be extremely proud of their accomplishments. Their record stood at 9-1 for the season.

The coach is Mr. Joe Lee, and he is returning for his second season. He is proud of his team's efforts, and is looking forward to a promising season again in '85.

MCHS BASEBALL TEAM

Kneeling L to R: Andy Woodruff, Randall Barker, Shedrick Taylor, Reggie James, Elton Harris, Willie Lewis, Kelvin Nedd, Melvin Phelps, Rick Hall, Michael Harris, Tim Brown.

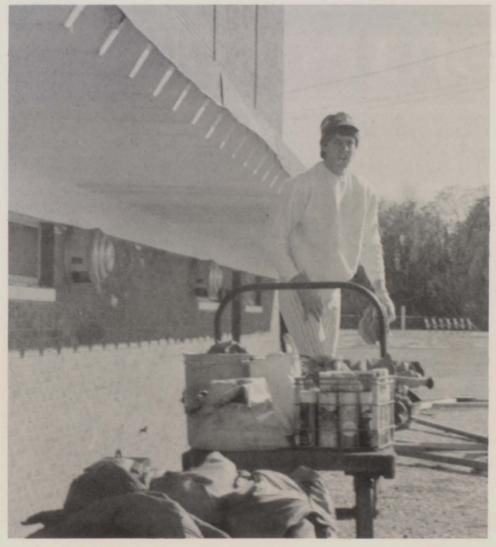

Standing L to R: Coach McLeod, Terrell McKenzie, Billy Law, Chris Dingle, Doug Hawk, Wade Skipper, Alphonzo Butler, Greg Hurdle, George Larry, Jeff McNatt, Jimmy Miller, Eddie Mercer, Howard Frontz

The Macon County Baseball team is taking to the field this year with high hopes. We have a new coach, new equipment, a much improved playing field, and lots of support from the school and community.

Coach Kipp McLeod has been a member of two National teams, has coached a State Championship team, and has coached at Valdosta State College, third in the Nation in its Division. McLeod truly believes a winning attitude, and he is sure Macon County High players have it.

TENNIS

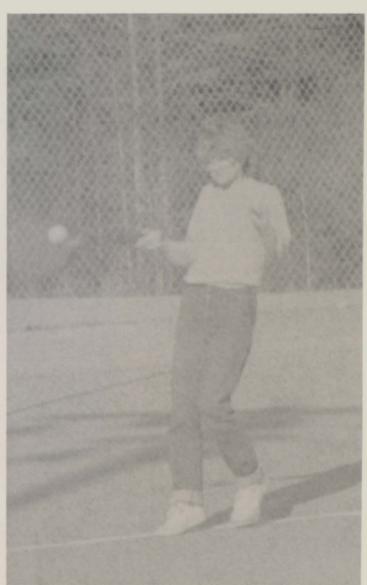

The MCHS Tennis Team will begin the season with only three veteran players: Wes Jones, Thad Green, and Pat Bellew. The team is also optimistic about this year's attribute, Vaughn Lucky. Lucky is listed in the State's Top 30 for the age 16, and under. Because last year's Boys' team captured such titles as 2nd Place South Sections Champs, and Boys' Region 1 AA Champs, the team is looking forward to an even greater season this year; perhaps State Champs.

Coach Wylene Webb expects dedication from her players, and started practices when it was still mighty cold. She believes practice makes perfect, and her record for winning proves it.

GIRLS' TRACK

The Girls' Track Team is expected to do big things again this year. Under the direction of Coach Shaw, a newcomer to the sport, the girls are expecting to achieve top performance. Last year's State Competition qualifiers, Darlene Mallard, Charlotte Jones, and Kim McMillian are looking forward to reaching State again.

Mrs. Shaw feels that with the bright newcomers to the team, much hard work, determination, and ambition the team will surely be a success.

BOYS' TRACK

This year, the Boys' Track Team expects to surpass last year's performance. They are under the direction of Coach Otha Redding and Mrs. Charlotte Shaw.

Several runners are returning team members. They are: Terry Tookes, John Tucker, Timothy Grant. They are planning to jump all the obstacles blocking their success in State Competition.

FADS IN "84"

EDITOR'S NOTE

The task of completing the "1984 Bulldog" has finally come to an end. A job that seemed almost impossible was not so difficult with the help of all those people who took part in making this year's book a reality. I would like to thank Mr. David Zeigler of Josten's Publishing Company for all the help he has given us throughout the year, Mrs. Jo Campbell for her many hours of hard work and patience, and finally, the "1984 Bulldog Staff" for their unending, dedicated efforts. Thanks must go also to Coach Carl Peaster, Owens Studios, John Converse, the Faculty, and the Student Body because without their support this book would have remained a dream.

The Staff and I hope that this annual will hold many memories for everyone at MCHS and that each individual who bought one will enjoy it as much as we enjoyed producing it.

My experience as editor of the "1984 Bulldog" has led me down many different pathways. Although my journey, as well as the other students', has only just begun, this experience will enrich my existence as I continue to travel through the remaining journeys of my life. It is my wish that somewhere, down the line, our paths will cross once again and we can share the memories this book contains.

Thanks for the privilege of editing your "1984 Bulldog."

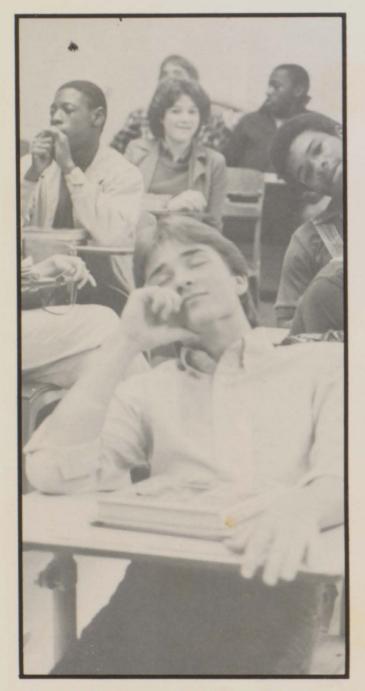

Sincerely,

Lynne Rootso

Lynne Rooks

Even though many of us have come to the end of our journeys here at M.C.H.S., we have just begun that long road which leads into the unknown future. We will always remember and be thankful to M.C.H.S. and the people who have prepared us for our future. The valuable lessons of life we have learned here will help us face the challenging road which we have yet to travel.

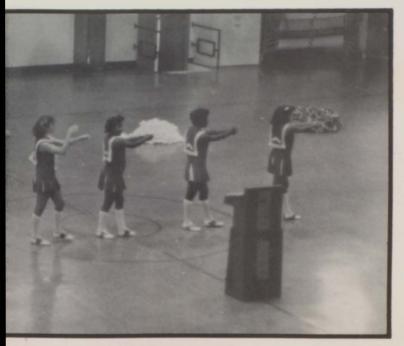

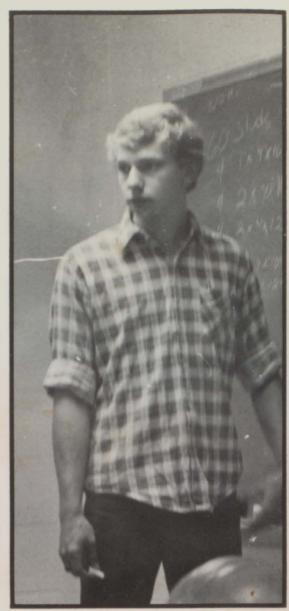

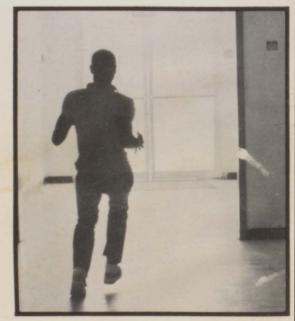

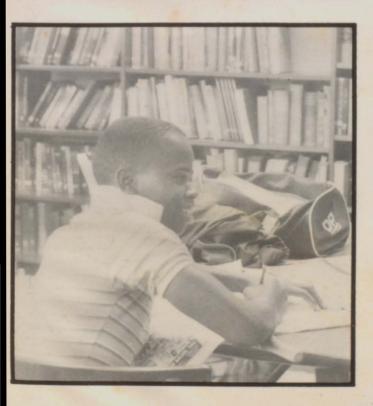

But the road leads us all,
And we know, stand or fall,
We have shared the day's bread.
We can laugh down the dream,
For the dream breaks and flies;
And we trust now the gleam,
For the gleam never dies;
So it's off now the load,
For we know the night's call,
And we know now the road
And the road leads us all.

from the TWILIGHT SONG
